The Actuarial Society of the Philippines invites all interested parties to attend the:

## EXAM P Review

### What is Exam P?

EXAM P (Probability) is an internationally recognized actuarial examination jointly administered by the Society of Actuaries (SOA) and the Casualty Actuarial Society (CAS). Topics covered by this exam include General Probability and Univariate and Multivariate Probability Distributions.

### Who should attend?

Individuals planning to take EXAM P this May 2013

### Objective:

The seminar is designed to assist candidates in preparation for EXAM P. Main objective is to provide an overview of the key exam topics and to supply tips and techniques on how to solve different types of questions. The seminar focuses mainly on solving previous Exam P questions that were released by the SOA/CAS.

### Review Sessions' Date and Time:

To maintain the quality of the review, there will be two (2) sessions, each covering different topics.

Date	Time	Topic/s
May 2, 2013 (Thursday)	1pm to 5pm	General Probability & Univariate Probability Distributions
May 4, 2013 (Saturday)	8am to 12nn	Multivariate Probability Distributions
