

Philam Life has a vacancy for an Actuarial Associate. Please see below for details on duties and job requirements:

Job Requirements:

- Graduate of 4-year College Course (Math, Statistics or Actuarial Science)
- Preferably with 3 years experience in actuarial work for life insurance company
- An Associate of the Actuarial Society of the Philippines
- Above average people skills (eg. ability to deal with different types of people)
- Computer literate (MS Office or any other database processing software)
- Above average written and oral communication skills

Job Duties:

- To conduct the following studies:
 1. Experience studies needed for assumption setting
 2. Other studies that review trends in all aspects of company performance
 3. Intercompany studies (based on industry statistics, annual statements)
- To review marketing campaigns and assess cost and effectiveness in pushing production
- To work with the Actuary on any other task that may be delegated to him/her

Interested parties may send their resumes to Ms. Marissa Delos Santos (PhilamJobs@aia.com). Questions may be addressed to her at 526-9338.

Philam Life also has an opening for an AVP & Actuary. The following link will take you to the details of that opening:
